In 1976 SIAMPORN TRADE CENTER CO.,LTD. , registered as a new company with new management. During the 40 years prior to this, It has been dealing in machineries. If it includes the time of the father's administration, It would be longer than 70 years.

The company now has two more branches, namely: WONG WAI WIT CO.,LTD. , at 164/14 North Sathorn Road, Bangkok 10500, covers area 3,350 sq.meters and CHAI HO WONG WAI WIT at 889 Srinakarin Road, Samutparkarn 10270, covers area 25,600 sq. meters and approx. 18 rais of land.

The company has imported machineries from countries all over the world and sold them to the end-users and also to the Thai Air--Forces that we have established close connection.

We discuss with the military officers concerning their need of new equipment all the time. When we learn of their requirement, We submit them to the party concerned for consideration.

Our market extents to Thai technical colleges and also country - wide factories.

We serve as a coordinator between the manufacturers and purchasers, and also offer our impartial advice to both parties. our dedicated efforts did not go in vain, We have successfully gained international connection. Several manufacturers and suppliers in many countries have requested us to co-operate with them. Following this page are the samples of the exclusive agents agreements.
